

**Application to Receive Financial Aid: FALL 2010 SOCCER SEASON**

Lauren loved the challenge and the friends she met playing soccer. She was a member of the her high school soccer team, played on three NMYSA State Championship teams, and was selected to her age group's ODP team, and at college, lead her women's and co-ed teams to intramural soccer championships. Lauren was just beginning her junior year at Northern Arizona University in August 2008, when she passed away in her sleep. As a legacy to her memory the **Lauren A. Horger Soccer Foundation** was established with help from her extended soccer family and friends to help New Mexico's needy and disadvantaged youth soccer players U-5 to U-18 with the necessary funds to play and enjoy soccer as much as she did.
