### 3.11 RULES OF PLAY

#### *3.11.01 FIFA RULES GOVERN PLAY*

The rules of play shall be the "Laws of the Game" as published by FIFA with those modifications stated herein. All contests sanctioned by NMYSA shall abide by the "Laws of the Game" and the modifications made by NMYSA.

#### *3.11.02 WEARING OF DANGEROUS APPAREL*

A player shall not wear anything that is dangerous to another player or to himself or herself.

#### *3.11.03 COACHING FROM TECHNICAL AREA AND TECHNICAL AREA CONDUCT*

One registered coach, designated prior to the game, may coach from the technical area by giving tactical instructions to his/her own team on points of strategy and positioning. Such tactical instructions cannot be continuous in nature, and must be conveyed to players in a positive civil tone. No negative or abusive comments may be directed to players on the field of play when giving tactical instructions.

### ***3.11.04 CONFLICT IN UNIFORM COLORS***

Where colors of uniforms are similar, as determined by the center referee, the home team will be required to change to colors that are distinct from those of the opponent.

### ***3.11.05 SUBSTITUTIONS***

The number of substitutes shall be unlimited, unless a competition superseding the jurisdiction of NMYSA determines otherwise.

### ***3.11.06 REFEREE RESPONSIBILITIES***

The Referee shall:

A. Prior to the start of the game, verify the identity of each player/coach with his/her pass card. He/she shall collect the player/coach pass cards of those who are to participate in the game. The Referee must allow no player/coach to participate in the game who is not in possession of a current US Youth Soccer pass card unless the rules of the competition allow pass cards from other affiliated organizations..

B. Submit his/her Referee Report to the proper authority as specified by the local referee governing body or league. He/she shall also notify, by phone, the proper authority of the name and circumstances of any player/coach ejections. A report of the incident shall be sent, along with the player/coach pass card(s) to the proper league authority. If this happens during tournament play, the player/coach pass card, along with a report, shall be given to either the Field Marshal or Tournament Director.

C. Inspect all players' equipment and the playing field prior to the start of the game. This inspection is to assure that the game can be played without jeopardizing the safety of the participants.

D. File a Game Report for every game worked. A report shall also be filed if the game was a forfeit (single or double).

### ***3.11.07 DELAYING THE START OF A GAME (FORFEITURE)***

Any team delaying the start of a scheduled game more than fifteen (15) minutes without sanction of the proper authority shall forfeit the game to the opponent.

### ***3.11.08 MINIMUM NUMBER OF PLAYERS REQUIRED ON FIELD***

A team will not be allowed to start or continue a game with fewer than seven (7) players on the field. For small-sided play in younger age categories, leagues may, at their discretion, modify rules to accommodate the small-sided play.

### ***3.11.09 REFEREE JUDGMENT WILL NOT BE CHALLENGED***

The referee's judgment with regard to the physical condition of the field and its acceptance for play, to the actual happenings and occurrences related to the game, and those prerogatives granted to him/her by the "Laws of the Game" as published by FIFA, shall not be challenged.

### ***3.11.10 REFEREE ABUSE AND ASSAULT***

The coach of a duly registered team is responsible for the actions of his/her team's spectators. The coach shall take all possible precautions to prevent such persons from threatening, harassing, or abusing Referees, game officials, players or other spectators before, during or after matches. The coach is responsible for identifying any spectators who threaten, harass, assault, or abuse Referees, game officials, players or other spectators.

Any player, coach, parent, or other adult (spectator either associated or not with a specific team) guilty of referee abuse, as defined in Section 3.02 Definitions, and/or in USSF Policy 531-9, shall be suspended from all NMYSA activities for a minimum of 3 scheduled matches within the rules of that competition or until the offender has attended a NMYSA-approved Behavioral Clinic (*e.g.*, referee training class with a minimum of 16 contact hours or other previously approved setting).

Any player, coach, parent or other adult (spectator either associated or not with a specific team) guilty of referee assault, as defined in Section 3.02 Definitions, and/or in USSF Policy 531-9, shall be suspended from all NMYSA activities for a minimum of 6 months. As explained in USSF Policy 531-9, a mandatory hearing will be held to determine if the minimum penalty should be increased.

NMYSA is the forum for the original hearing of referee abuse and assault cases. NMYSA must address a Referee Abuse or assault allegation within 30 days from the date of verification of an incident. As per NMYSA General Procedures and Rules 3.02 (DEFINITIONS) appeals may be made directly to NMYSA or via the State Youth Referee Administrator. In the event NMYSA does not adjudicate the alleged Referee abuse or assault within 30 days of verification, the USSF has the authority to handle the alleged abuse.

### ***3.11.11 REFEREE MISCONDUCT***

Any allegation of misconduct or of conflict of interest by a game official at a match or away from a match shall be made in writing to the State Referee Administrator or to the State Referee Association(s). The State Association has jurisdiction to adjudicate the matter in accordance with United States Soccer Federation Policy.

## **3.12 EJECTION PROCEDURES**

If a player or coach is ejected for misconduct, then the referee shall mail the player's pass card to the League Registrar or other designated league official (in the case of league games) or

deliver it to the authority specified in tournament play (Field Marshal/Tournament Director).

### **3.13 PLAYER RELEASES, TRANSFERS, AND ROSTER LIMITS**

#### ***3.13.01 PLAYER BOUND FOR SEASONAL YEAR***

Once a player is registered and listed on a NMYSA Official Roster, that player is bound to that team for the entire seasonal year (9/1 through 8/31 of following calendar year), except as follows (Releases and/or Transfers):

#### ***3.13.02 PLAYER RELEASES***

A team may not release, voluntarily or involuntarily, any player from its roster unless a written request, stating the reason why the release has been requested, has been made to, and approved by, NMYSA on the NMYSA release/transfer form. A player may seek a voluntary release by submitting in writing his/her request for release in accordance with the current Rules and Policies of our National Affiliated Organizations. A voluntary release is defined as a release where both the releasing and receiving coach agree that the release and subsequent transfer are in the best interest of the player. A release may also be obtained by citing one of the following reasons:

1. The player has violated current Rules and Policies of our National Affiliated Organizations or State Disciplinary Rules. It is a violation of State Disciplinary Rules for any player to violate the rules of any affiliated league in which the player is rostered or if the player or players parents' conduct is such that if allowed to continue, it would have a negative or detrimental impact on the team. Abandoning a team by non-participation for reasons other than injury is considered detrimental conduct and may be cited by the team in seeking an involuntary release. A player may not seek a voluntary release for this reason.

2. The player has moved beyond a reasonable travel distance. Determination of what constitutes a reasonable distance is subject to definition by NMYSA.

3. The player is injured in such a manner that the player will not be able to participate for the remainder of the season. Any player being given a release who wishes at a later date to return as a registered member, will be treated as a transfer player and must apply as such.

There shall be no transfer fee required in the event that a transfer occurs as a result of a team disbanding or ceasing to exist. Any administrative error in the registration process recognized as such by the league and the State Registrar or the State Board of Directors may be corrected without being treated as a release or transfer. A player rostered under Section 3.05.11 may only transfer from one secondary team to another secondary team or from one primary team to another primary team under normal rules governing transfers.

#### ***3.13.03 TRANSFERS***

A transfer of a player shall be defined as adding a currently NMYSA-registered player to

a roster, or returning a currently released player to a roster. For purposes of NMYSA-sponsored tournaments, a team shall be limited to a total of five transferred players per seasonal year. Transfers are given only to a player who moves from one (1) registered team to another within this Association. All transfers must be applied for at the league in which the player is originally registered. Exceptions to the transfer rule include a player on a recreational team and participation as a guest player where permitted by the rules of a specific competition, and with proper authorization (these two cases are not considered transfers).

#### ***3.13.04 SUBMISSION OF TRANSFER FEES AND PAPERWORK TO REGISTRAR***

All requests for releases and transfers shall be submitted to the League Registrar in writing on the proper form with appropriate fees. The NMYSA release/transfer form can be electronically downloaded from the NMYSA state web site under "Forms."

#### ***3.13.05 APPROVAL OF REQUESTS FOR TRANSFER***

Any player being granted a transfer from a dissolved team will be allowed to move to another team, without delay. In the event the releasing coach, the club official or the Board of Directors of the releasing club or league fails to sign the appropriate form, the coach's/club's/league's failure to sign may be protested to the NMYSA Protest and Appeals Committee. The following, while not exclusive, are valid reasons for not releasing a player during the seasonal year:

- a) When the player individually or as part of a group of players requesting release would leave the releasing team with an insufficient number of healthy players to field an 11-player team.
- b) When the player was recruited, as determined by the Protests and Appeals Committee of the NMYSA. Recruiting constitutes contacting (either through the coach or other agent) a player during a current season prior to conclusion of the State Cup for the purpose of playing for another team during the current seasonal year (guest player agreements exempted).
- c) When the player is indebted to the releasing team and/or club (money, uniforms, or other tangible goods)

Any failure of a player, releasing coach, club official, league official or the Board of Directors of the releasing league to sign the appropriate form, which failure the Protest and Appeals Committee determined to be lacking in good faith or substantial justification, shall be grounds for disciplinary action against a player, releasing coach, club official, and/or the league Board of Directors.

#### ***3.13.06 ROSTER CHANGES***

All inter-league changes in rosters must be processed by NMYSA upon receipt of the proper fees and forms.

### **3.14 PROTEST AND APPEALS**

#### ***3.14.01 GENERAL REQUIREMENTS - IMPORTANT***

1. Proper documentation of all Protests, Appeals, and Disciplinary Hearing matters must be maintained by NMYSA, and all actions must be in accordance with the following procedures and time frames.

2. A claim of ignorance of these policies and procedures shall not be satisfactory grounds for the alteration or waiving of such policies or procedures.

3. The chairman of any committee that is established for the purpose of hearing a protest, appeal, or disciplinary matter, shall be familiar with the policies and procedures defined herein.

4. Any hearing of a protest, appeal, or allegation of misconduct must be as the result of a properly submitted written cause of action. No hearing or other administrative action shall result from circumstances or charges which are only communicated verbally.

5. Disciplinary and appellate procedures at all levels (club, league, and state association) must include fair process. Fair process, at a minimum, shall include:

- a) Notice to the accused or opposing party.
- b) That notice must include a statement of the grounds for appeal or conduct alleged along with the specific rule violated.
- c) An opportunity of the opposing party to respond.

6. A party has the right to an open hearing at the original level only. [Suspension of players or coaches for less than thirty (30) days in duration shall be exempt from this requirement.]

#### ***3.14.02 DEFINITIONS***

PROTESTS are usually related to a specific game or administrative action, and are filed by one of the involved team officials. Only those teams involved are permitted to protest a game result. Protests on a specific game cannot be filed by third parties, such as coaches from other teams or league/state administrators.

Protests submitted to a competition authority (league, tournament, etc.) must be filed in accordance with the protest procedure and rules of that competition. The protest must be based upon violation of the published rules of the competition or NMYSA Bylaws, General Procedures and Rules, and/or Travel and Tournament Manual. In all cases involving NMYSA-approved competition, the NMYSA Rules and/or procedures shall prevail.

The rights of protest and appeal within the rules of the competition must be exhausted before proceeding to the next level of authority defined herein.

APPEALS arise as the result of an adverse decision from a protest hearing, administrative action, disciplinary hearing, or lower-level appeal. Only those parties to the original action, who are adversely impacted by such decisions, shall be allowed to appeal.

An appeal shall not have the effect of "staying" a previous ruling. Previous decisions remain in force, pending the result of the appeal.

DISCIPLINARY HEARINGS result from allegations of misconduct, which are lodged against individuals or entities within the jurisdiction of the convening authority.

Only the elected and/or appointed officials of duly constituted clubs, leagues, tournament committees, or NMYSA administration may bring charges of misconduct. Referees are recognized as officials of such organizations in matters regarding game misconduct.

GENERAL GRIEVANCES are complaints of a general nature, which are not based upon specific rule violations, or upon a specific administrative decision (or lack of decision). General grievances are not handled through protest, appeal, or disciplinary hearing processes.

Grievances may be heard on an informal basis by the appropriate authority, the District Commissioner, and/or the NMYSA Board of Directors.

### ***3.14.03 LINE OF JURISDICTION***

The line of jurisdiction, in ascending order, shall be:

LEVEL 1: Clubs and Leagues. These bodies shall hear original protests, appeals, and allegations of misconduct arising from events within their jurisdiction. They may also hear appeals of decisions made by directors or officers of their organizations.

These bodies shall establish their own protest, appeal, and disciplinary hearing procedure. Such procedure must be in writing and must include notification of the right to appeal to higher authorities and the procedure for doing so. These procedures must be published by the beginning of the seasonal year (September 1).

LEVEL 2: District Commissioners. The District Commissioner shall hear original protests, appeals, or allegations of misconduct filed by those persons, clubs, leagues, or tournaments under their jurisdiction.

Matters arising from game protest will not be heard at Level 2 until Level 1 protest and appeal procedures have been exhausted.

District Commissioners shall have the option of adjudicating protests, appeals, and disciplinary matters alone, or appointing a District committee for that purpose. There shall be only one District hearing level.

LEVEL 3: NMYSA Protests and Appeals Committee. This committee shall hear appeals of Level 2 decisions. The Committee shall be the initial hearing for all allegations of violation of USSF Rules pertaining to referee/linesman assault and/or abuse. The Committee may hear appeals of or be the initial hearing for violations of NMYSA Bylaws, General Procedures and Rules, Travel and Tournament Manual of NMYSA. The Protest and Appeals Committee shall be the final level of appeal.

In the case of an appeal, no rehearing is possible. Only an appeal hearing, and a review of written evidence and testimony and lower level decisions, will be conducted at this level.

LEVEL 4: USSF National Appeals Committee. The appeal of Level 3 decisions shall be made to the USSF National Appeals Committee in accordance with the provisions of USSF Bylaw 705. Any appeal to the USSF National Appeals Committee must be submitted, by the person wishing to make such an appeal, within ten (10) days from the date of receipt of the decision rendered by the State Association, by completing a Notice of Appeal (substantially in the form attached to these General Procedures and Rules) and submitting it to USSF, together with the appropriate appeal fee (\$300.00 Money Order or Cashier Check).

#### ***3.14.04 MANDATORY CONDITIONS***

1. No Level 1 or Level 2 authority shall hear or adjudicate an allegation as it pertains to abuse of or assault on a referee.

2. The hearing and adjudication of any protest or allegation of misconduct shall be completed within thirty (30) days of the receipt of the cause of action. If a decision is not reached within this thirty (30) day period, the matter may be submitted to the next higher level without determination, and the fee submitted will be applied at the next level.

3. At all levels of the appeal process (State and National), if a decision is not reached within thirty (30) days of receipt of the written appeal, the party filing the appeal may submit the appeal to the next higher level without determination, and the appeal fee submitted will be applied at the next level.

4. The decision and/or disciplinary sanctions imposed or rescinded as the result of a hearing of any protest, appeal, or allegation of misconduct; shall be binding at all levels, and shall be recognized by all affiliated organizations (leagues, tournaments, etc.) The filing of an appeal shall not "stay" the execution of such decisions and/or disciplinary sanctions.

#### ***3.14.05 HEARING COMMITTEE COMPOSITION***

1. Committees hearing and deciding protests, appeals, and allegations of misconduct shall be composed of persons having no conflict of interest in the matters being heard, and having no interest in or association with the principal parties in the matters. Committee members should be readily available from a time and geographic standpoint. No person shall

adjudicate a matter at more than one level.

The chair of any committee shall appoint one committee member to make a written record (minutes) of all proceedings.

2. A District Commissioner may adjudicate Level 2 matters alone, or may form a committee to hear such matters. Should a committee be formed by the District Commissioner, the District Commissioner may act as its Chair, or may appoint a committee member to act as Chair.

3. The Chair of the NMYSA Protest and Appeals Committee shall be appointed by the NMYSA President and approved by the Board of Directors for a term of two (2) years.

4. Level 3 matters, or original hearings of referee abuse or assault, may be heard by the entire committee of three to five, including the Chairman of the Protest and Appeals Committee or a designee of the Chair. No matter shall be heard by a committee of less than three (3) members.

5. Committee members shall be appointed by NMYSA's President for individual hearings.

#### ***3.14.06 FILING PROCEDURES***

1. All Level 1 authorities must establish well-defined protest, appeal, and disciplinary hearing procedures within their own organization. Such procedures shall be published to their membership prior to the start of each competition season and any changes must be accompanied with adequate notice to those affected.

2. A protest, appeal, or allegation of misconduct must be filed in writing, and should include:

- a. The nature and specifics of the complaint.
- b. A listing of the rules or procedures which have been violated.
- c. A statement of the desired resolution.

A form for this purpose has been attached to this document. Use of this form is not mandatory, but doing so assures that the necessary information is presented in the proper manner. Due to some competition rules, filing by mailgram/telegram precludes using the form. Additionally, referees game reports, while conforming to a different format, shall also be accepted.

3. Filing shall be as follows:

The original document of the protest, appeal, or allegation of misconduct, along with all supporting documents, shall be forwarded by Registered U.S. Mail, or Certified U.S. Mail Return Receipt Requested. In the case of Levels 1, 2, or 3, appeals, the appeal must be placed in

the Registered or Certified U.S. Mail within forty-eight (48) hours of the receipt by the appellant of the prior adverse ruling (Sundays and holidays excluded, unless the rules of the competition state otherwise). A Level 4 appeal notice (to the USSF) must be filed within ten (10) business days of receipt of the adverse State Level decision, as per 3.14.03. Filing requirements are as follows:

- Level 1- According to the published requirements of the appropriate Level 1 authority.
- Level 2- To the District Commissioner; one (1) copy unless otherwise required by the District Commissioner.
- Level 3- To the NMYSA Office; seven (7) copies. Additionally, in an appeal of a lower-level decision, one (1) copy shall be sent by the appellant to the chair of the lower-level hearing board. This copy shall serve as notice of the filing of an appeal.

Upon such notice, the chair of the lower-level hearing board shall immediately submit all retained evidence and documentation to the next-higher level. This submittal shall also be by Registered or Certified U.S. Mail.

### ***3.14.07 FILING FEES***

1. Filing Fees shall be:

- Level 1 As established by the appropriate Level 1 authority.
- Level 2 \$50.00 or as established by the District.
- Level 3 \$100.00 (Money Order or Cashier's Check).
- Level 4 \$300.00 (or as established by USSF).

2. At Level 2 or 3, if a protest or appeal is rejected, waived, or upheld, the fee will be returned to the appellant. If a protest or appeal is denied, the fee will be retained and deposited in an appropriate fund.

### ***3.14.08 DOCUMENTATION PROCESSING***

1. The filing of a protest, appeal, or allegation of misconduct shall be in accordance with the provisions of this document.

2. Upon filing of a protest, appeal, or allegation of misconduct, the receiving authority shall institute the following procedures:

- a. The appropriate action or response shall be determined by conducting a "validation/review" of the following:

- 1) Identifying the principal parties involved.
- 2) Determining if they are in good standing.
- 3) In the case of a protest, determining the protestor's right to lodge a protest (see 3.14.02 - Definitions, Protest).
- 4) In the case of an appeal, determining if the appeal is directly related and germane to the decision of the next-lower authority. (If not, the appeal must be rejected and returned).
- 5) Determining if all the information necessary to adjudicate the matter and reach a decision is included. (Such information may include names, addresses, phone numbers, minutes of previous hearings, applicable rules, referees game reports, etc.)
- 6) Determining whether the matter has been filed with the proper authority.
- 7) Determining that specific charges are made, the rules allegedly violated are cited, and the desired resolution has been stated.

NOTE: Forty-eight (48) hours are considered sufficient for the conduct of this "validation/review."

b. Upon completion of the "validation/review," if all the information and documentation necessary to reach a decision are available, the principal parties are to be immediately notified of receipt of the complaint.

This notification shall also include the date, time, and place of the hearing. If notification of the receipt of the complaint, and notification of the date, time, and place of the hearing cannot be accomplished at the same time, two (2) separate notifications shall be required.

3. Sufficient time should be allowed for the parties to prepare and appear. Unless the rules of the competition dictate sooner, the hearing shall be scheduled within a minimum of seven (7) and a maximum of fourteen (14) days following notification of the receipt of the complaint.

4. Notification of the receipt of a protest, appeal, or allegation of misconduct, and of the date, time, and place of a hearing, shall be communicated to the principal parties at the same time, and by the same method.

This notification shall be accomplished by one of the following methods (in order of preference):

- a. Telephone, with written follow-up sent by e-mail or U.S. Mail (to be sent as per method c or d below).
- b. E-mail.

- c. Certified U.S. Mail, return receipt requested.
- d. Registered U.S. Mail.
- e. Facsimile, with follow-up original.

5. Notifications shall contain the following:

- b. The date, time, and place of the hearing.
- c. The type of hearing to be held.
- d. What limits or restrictions (if any) will be imposed on testimony.
- e. Whether or not testimony must be in written form, and the date by which such written testimony must be received.
- f. Any other special requirements.

6. A complete copy of Section 3.14 (Protests, Appeals and Disciplinary Hearings) shall accompany the Notification of Hearing sent to the principal parties.

### ***3.14.09 PROCEDURES FOR HEARINGS***

1. Types of Hearing - The method of holding a hearing may vary due to distance, time, and the level of appeal. Basically, they are of two types.

- a. OPEN HEARINGS shall be held with the principal parties, witnesses for both sides, and all necessary evidence, actually appearing before the members of the Hearing Committee.

Testimony from witnesses need not be taken in the presences of other witnesses, but the principal parties shall be present for all proceedings except the deliberations of the Hearing committee.

The Hearing Committee may make an exception of the requirement that principal parties be present in the case of a referee, or more particularly a youth referee, in which case the referee's game report shall stand as the sole testimony of that person.

Deliberations may occur and decisions may be reached, in either open or closed sessions.

- b. CLOSED HEARINGS require that all testimony and evidence (including rules) be submitted in writing.

Testimony and evidence may be considered by committee members on an individual basis, with a decision reached by mail or conference call.

The principal parties must submit all evidence, testimony, and arguments in written form, as specified by the notification.

The original hearing of any protest or allegation of misconduct *must* occur in *open hearing*. Subsequent appeal(s) may be heard in either open or closed hearings.

2. Agenda - All parties, including witnesses, will be brought into the hearing chamber. The following items will be described by the Chair.

- 1) Parties allowed to remain in hearing chamber. All witnesses to wait in outer chamber.
- 2) All written evidence should have been presented in advance for distribution and inclusion in the evidence packet.
- 3) All written evidence presented at the hearing will be passed to the Chair. Relevance or authenticity shall be determined by the Hearing Committee pursuant to these rules and/or written criteria set forth by the Hearing Committee.
- 4) All questions/statements from involved parties will be addressed to the Chair, who will ask the appropriate individual for an answer/rebuttal if he deems it pertinent.
- 5) Witnesses may be recalled after initial testimony for further testimony and/or clarification.

c. All witnesses will then be excused to outer chamber.

- 1) Party originating action will present case.
- 2) Witnesses for that party will be called individually.
- 3) Committee members will question these witnesses as deemed necessary after each testimony has been given.
- 4) Second party will present case.
- 5) Witnesses for that party will be called individually.

- 6) Committee members will question these witnesses as deemed necessary after each testimony has been given.
- 7) Any witnesses may be recalled as necessary.
- 8) First party will make closing statement.
- 9) Second party will make closing statement.

d. Open hearing may be adjourned and parties excused for deliberations.

### 3. Evidence and Testimony

a. All evidence, such as identification cards, team rosters, referee's game reports, letters, proof of age documents, and other sources of written or printed information, shall be original or official only. No copies (*e.g.*, photo, xerographic, facsimile, or other reproductions) shall be acceptable.

Notarized documents shall attest to the validity of the signatures thereon, and shall not attest to the validity of the information contained in the document.

Proof-of-age documents shall conform to the rules of competition and NMYSA General Procedures and Rules.

b. All testimony shall be limited to the principal parties, eyewitnesses, and recognized authorities on the subject (such as the registrar on registration matters).

If a witness cannot appear at an open hearing, written testimony shall be accepted. Notarization may be required by the Hearing Committee or written procedures and such testimony shall be provided to the opposing party a reasonable time prior to the hearing. If written testimony is allowed in an open hearing, the opposing party shall have the opportunity in writing or orally to contest its contents.

Character witnesses and other third-party witnesses shall not be allowed.

In the case of open hearings, testimony may be restricted with respect to time.

c. A document directory (sample attached) shall be established by the Hearing Committee at Level 2, and maintained at each level thereafter.

d. The establishment of this document director at Level 1 is strongly recommended.
