Where's Josh?

Josh is hidden throughout the newsletter in 6 places. This is what Josh looks like:  (this one doesn't count!). Find all six and be one of the first 10 players to write in with the correct locations and you'll win cool prizes. Good luck!!

July 2007 winners: NONE! We can't believe that no one got the 6 "Where's Josh?" locations last quarter! We've been "too easy" on you for a while, and the first 10 winners have usually been collected in only a few days. With so many great opportunities to hide "Josh" among all the photos in the July issue, we just couldn't resist ... but

we never suspected that there would be NO winners! Go back and look at that issue again ... the 6 locations are: Pg3 (end of 6th article); Pg 6 (after list of wild card teams); Pg13 (sitting on bags in background of photo 1); Pg 13 (in background by feet and bags of the picture of player in red uniform with arm extended and ball at right foot); Pg17 (middle picture, in celebration line); and Pg17 (on table under 3rd Kohl's tent). No one won a collection of stickers, pens, pins, notebooks and other items valued at \$20. Try harder this time (and this one will be easier)! 🍀
